EXACTLY LIKE NOTHING ELSE

Fifty-Five Mjejane is a luxury five-star safari lodge located within the Mjejane Game Reserve, on the banks of the Crocodile River. The reserve is part of the Greater Kruger and wildlife roams freely between Mjejane and the Kruger Park. Guests are served an unparalleled five-star luxury experience with magnificent Big Five game viewing, and so much more.

The lodge is for the exclusive use of you and your guests so that you can enjoy an undisturbed getaway in this luxury five-star, South African lodge.

DEEP-ROOTED IN HERITAGE & TRADITION

The Mjejane Game Reserve has a rich history that reaches back to the great Zulu King, King Shaka. Today, over two decades after the land was given back to its original owners, private owners have bought into Mjejane Game Reserve to create a five-star ecotourism destination – Mjejane Game Reserve – for and on behalf of the beneficiaries of the Mjejane Trust.

UNIQUE ARCHITECTURE & LAYOUT

The architecture of the lodge is inspired by a traditional Zulu village or spherical homestead, 'Umuzi', consisting of a cluster of beehive-shaped huts, 'Indlu'. This presents our guests with an authentic African experience that pays homage to the original descendants of the area, and blends seamlessly with the surrounding fauna and flora.

LUXURY ACCOMMODATION

We invite you to experience peace and tranquillity while exploring Mjejane and surrounding areas from Fifty-Five Mjejane, your home away from home. Our exclusive self-catering lodge sleeps 12 people in 6 master-style Indlus – Zulu-inspired beehive-shaped dwellings – and offers everything a guest would need for an exceptionally memorable luxury stay.

This presents our guests with an authentic African experience that pays homage to the original descendants of the area, and blends seamlessly with the surrounding fauna and flora. The style of the lodge also reinforces the ongoing relationship with the Mjejane Trust and honours the deep cultural history of Chief Mjejane and the Zulu people.
